

To Whom It May Concern

This is to certify that **Akshit Verma (student of JIMS Rohini, BCA 3rd Year)** has completed his internship at Sofitra Analytics from December 23, 2024, to January 31, 2025, in the Research Analysis Department

He showed keen interest in the following research automation works and delivered satisfactory results as desired of him:

1. Understanding automation requirements and creating macro scripts.
2. Testing macros on large datasets.
3. Increasing efficiency of existing macros to reduce run time.

Akshit was punctual on all days of his internship and has a good learning and understanding capacity which will help him to shape up his career objectives.

We wish Akshit Verma all the best in his future endeavours.
